

ALTENRHEIN

AVIATION

Are you a Purchasing Manager working within aviation environment looking for a new challenge?

AAL is currently seeking an experienced Purchasing Manager.

This is a permanent role, based in Altenrhein, Switzerland. Vacancy from 1 August 2018.

Reporting to senior management you will be responsible for the efficient running of the Purchasing and Logistic Department and team as well as the successful management of suppliers to ensure timely delivery of materials within budgetary requirements.

Main responsibilities and duties include:

- Ensuring timely purchase and delivery of aircraft parts and materials
- Implementing strategic supply chain plans to support long term business goals
- Continually improving purchasing methods to drive down the costs
- Liaising with internal departments on matters relating to materials and parts
- Identifying new suppliers including discount structures and volume rebates
- Ensuring the highest level of service is provided and maintained for all customers
- Ensuring the ongoing management and development of all team members

The successful Purchasing Manager will be able to demonstrate the following skills and experience:

- Previous working knowledge in a purchasing role within the aviation industry
- Excellent organisation and communication skills
- Strong people management and leadership skills
- Fluent in English and German
